Shijiazhuang University is a higher education institute for undergraduates authorized by PRC Ministry of Education and is located in the beautiful capital city of Hebei province, enjoying convenient traffic to Beijing that is 280 km away. It covers 814,000 square meters with a building area of 441,800 square meters.

The university now hosts 17,842 full time students and 1,392 teachers and staff. The University has set up 68 bachelor programs, covering 10 disciplines including economics, law, education, literature, history, science, engineering, agriculture, management and fine arts. Rooted in serving the local economy, equipped with the ability for international exchange and communication, and determined to ensure its undergraduates matriculate with lifelong practical abilities, Shijiazhuang University has been refining its targets with resilient and sharp reform and has redefined both itself and its student body. Motivated by the command to coordinate the development of Beijing, Tianjin and Hebei as a whole and by Hebei orientation in its own economic and social development, and specifically by the demand of local Shijiazhuang pillar industries, Shijiazhuang University has been striving to upgrade its scientific research, scientific innovation and service and reach higher goals.

Our university has 14 experiment centers and 400 labs. The library has a collection of over 1.42 million volumes, 24 databases in Chinese and foreign languages, over 4.16 million electronic books and 537 kinds of paper newspapers and periodicals. The school has a regular professional publication "Shijiazhuang University Newspaper".

Shijiazhuang University is an open minded university with an international vision. The university has been increasing its efforts in open education, improving its level of international education, and deepening its exchanges and cooperation with foreign universities and educational institutions. It has established friendly and cooperative relations with 60 universities in 15 countries and regions in Asia, America, Europe and Oceania, and joined the Erasmus project plan of the European Union.
